

## Trade Secret Law in a Nutshell (Paperback)

By Sharon Sandeen, Elizabeth Rowe

West Academic, United States, 2018. Paperback. Condition: New. 2nd Revised edition. Language: English. Brand new Book. Trade Secret Law is the first and only book in the Nutshell series to cover trade secret law in depth. It was written as a companion to Cases and Materials on Trade Secret Law by Rowe and Sandeen (the first casebook on trade secret law), but adds more practical advice. Thus, it is a useful resource for attorneys and law students alike. It could be a supplement to a course on trade secret law or an IP survey course that covers trade secret law, as most now do. Like the casebook, it focuses on the predominate law governing trade secrets in the U.S.: The Uniform Trade Secrets Act (now applicable in 47 of 50 states). The Trade Secret Law in a Nutshell addresses both international and criminal enforcement of trade secret rights. The Second Edition includes significant legal developments, including coverage of the Defend Trade Secrets Act of 2016.
