GROUP-BASED MODELING OF DEVELOPMENT (HARDBACK)

HARVARD UNIVERSITY PRESS, United States, 2005. Hardback. Condition: New. Language: English. Brand new Book. This book provides a systematic exposition of a group-based statistical method for analyzing longitudinal data in the social and behavioral sciences and in medicine. The methods can be applied to a wide range of data, such as that describing the progression of delinquency and criminality over the life course, changes in income over time, the course of a disease or physiological condition, or the evolution of...

This created publication is wonderful. It really is basic but shocks within the 50 % from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
